Post Operative Instructions

SUCTION LIPECTOMY NECK

1. Please take all medications as directed
2. Sleep on 2 or 3 pillows to keep the head elevated. This will reduce swelling
3. Apply ice packs to the neck as much as possible for the first 48 hours
4. REST ONLY. Do no exercise. Keep cool
5. After 3 days you may remove the garment to shower each day. Do not disturb the white tape. After drying your skin, replace the garment and continue to **wear it 24 hours a day** until your next appointment with Dr. Perkins
6. Expect some swelling of the face. A small amount of blood ooze through the bandage can also be expected
7. Further instructions will be given when Dr. Perkins removes the dressings. (You can expect to wear the garment at home at night for a further two weeks after the dressings have been removed.)
